*If HRCE moves to phase 2, having access to the following at home would be in your favour for on-line learning with art...

A simple Prang or Reeves **watercolour paint set** (for colour theory and painting)

Magazines (old) for collage

Fabric scraps

Cheap wire- think Dollarama

Beads/buttons/trinkets in a junk drawer

Interesting and varied **paper surfaces**

Craft glue or glue gun with hot glue

Variety of **tape**

...you get the idea...

(don't throw things out to purge- it might end up being your kid's art project ;0)....)
